World Health Day Forum

Date: April 6th, 2010, from 8:30- 4:30 PM

This year's World Health Day will be marked on April 7th, 2010, and the theme is on Urbanization and Health. In preparation to marking this important day, the African Population and Health Research Center (APHRC), Nairobi, Kenya, will host a one day forum where MPS, key officials from the Ministry of Medical Services, Ministry of Public Health and Sanitation, National Coordinating Agency for Population and Development (NCAPD), Population Reference Bureau (PRB), members of international organizations, media personalities, and APHRC researchers will make presentations and hold discussions focusing on health policies and research addressing issues and challenges affecting urban dwellers.

Participating Speakers

Members of Parliament

Director of Medical Services

Director of Public Health and Sanitation

Head, Department of Health Promotion

Country Rep., World Health Organization, Kenya

Venue

The Stanley Hotel

Theme: Urbanization and Health
